

CRITICALISSUES+COM 101 REGISTRATION

When students register for a Critical Issues in Human Inquiry Class, they need to register for the matching COM 101 section at the same time. The matching 101 sections can be found listed as a co-req on the CIHI course page in The Nest (see below).

Students must enter both CRN numbers at the same time on the same page while registering. It is helpful to have both numbers written down.
