Medical Education Program Guideline

GUIDELINE: M3 Clerkship Remediation Guideline

GOVERNING BODY: Office of Student Affairs

LCME ACCREDITATION STANDARD REFERENCE: N/A

PURPOSE

The M3 Clerkship Remediation Guideline details the process followed if a student completing the M3 curriculum receives a final grade of Unsatisfactory (UN) for a clerkship and/or selective.

GUIDELINE

Students who receive a final grade of Unsatisfactory (UN) for a M3 clerkship and/or M3 selective, are required to repeat the clerkship and/or selective during the course's regular scheduled course dates only.

PROCEDURE

A. Failure of a M3 clerkship:

Students who fail a M3 clerkship are required to repeat the clerkship during its regular scheduled course dates

B. Failure of a M3 selective:

Students who fail a M3 selective are required to repeat the selective during its regular scheduled course dates.

SCOPE

All students enrolled in the medical education program.

ADMINISTRATION AND INTERPRETATIONS

This guideline is administered by the Advancement Committee in coordination with the Office of Student Affairs. Please forward all questions to the Associate Dean for Student Affairs.
