UNIVERSITY

Presidential Lecture Series *on Race*

LECTURER

Damon Tweedy, MD

Dr. Damon Tweedy is the author of the *New York Times* bestseller *Black Man in a White Coat*, selected by *TIME* magazine as one of the Top 10 Non-Fiction books of 2015. He has published articles about race and medicine in the *Journal of the American Medical Association (JAMA)* and other medical journals. His columns and op-eds have appeared in the *New York Times*, *Washington Post*, and various other print publications.

Dr. Tweedy travels frequently to speak to physicians and clinicians, health care companies, medical schools and teaching hospitals, and other organizations involved in health and wellness, about the impact of race on the medical profession at all levels. Dr. Tweedy is a graduate of Duke University School of Medicine and Yale Law School. He completed both his medical internship and psychiatry residency at Duke Hospital.

He is currently associate professor of psychiatry at Duke University School of Medicine and a staff psychiatrist in the Durham Veteran Affairs Health Care System.

Creighton University Health Sciences Continuing Education designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s). Physicians should claim only credit commensurate with the extent of their participation in their activity.

ACCREDITATION STATEMENT

In support of improving patient care, Creighton University Health Sciences Continuing Education (HSCE) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education, and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

OBJECTIVES:

- Recognize multiple ways that medical education and health care systems can exacerbate health inequity.
- Identify unique challenges faced by health professions students and practitioners from racial or ethnic minority groups.
- Identify ways to improve health care access for patients from racial and ethnic minority groups.

Jointly provided by the Kingfisher Institute and Creighton University Health Sciences Continuing Education
